

Youth\$ave Contract

Participant (youth): _____
Parent/Guardian: _____
Sponsor: REACH Community Development, Inc.

The following agreement outlines the rights and responsibilities of the participant (youth), parent, and what REACH will offer to those accepted into the program.

YOUTH AGREE TO:

► Commit to attend every class. An absence is considered unexcused unless:

- 1) The youth contacts staff *before 2pm the day of class* to explain their absence, **and**
- 2) The youth makes up the missed class *before* the next Youth\$ave class.

Youth with 3 unexcused absences or 5 total absences will not be allowed to graduate, and will not receive match money.

It is the responsibility of the youth to follow steps 1 and 2 in order to have an absence excused.

► Choose a savings goal. This is an *activity or item* you would like to buy, which is **Educational, Artistic, Athletic or Entrepreneurial.** Y\$ Staff can help you come up with a goal that you will be able to achieve. This goal can be changed later in the year by discussing it with Y\$ Staff. Sports equipment, art supplies, musical instruments etc. must be accompanied by a class, camp or lessons or some kind (free lessons or classes through school are acceptable).

► Open a savings account using the form you were given and save money. Only money in that account (up to the maximum amount set for each youth) will be matched. Youth who have not opened their bank account by November of the program year may be dropped from the program.

► Youth must make regular deposits into their Y\$ account. It does not matter how much you deposit each time. Youth must make a minimum of 3 deposits, and save a minimum of \$40 to graduate. The last day to deposit money in your account and receive match is May 31st of the program year.

► Discuss any withdrawals from the savings account with Y\$ Staff. Any money withdrawn will not be matched, and is discouraged, unless you are buying your activity.

► Give at least **two weeks** advance notice to REACH when a check for matching funds is needed. The check will be written to the business that provides the eligible activity (or on certain occasions to the parent with prior approval from Y\$ Staff). REACH will **not** refund money when prior approval has not been granted.

► Assist with program evaluation and participate in the Summer Graduation Ceremony.

Note: Purchases are to be made at the end of the program year (end of May or later). Exceptions can be made only for camps or other educational activities with earlier payment deadlines if:

- ✓ The youth has met the minimum requirements of 3 deposits totaling \$40.

- ✓ The youth has no more than one unexcused absence.
- ✓ The youth has completed or is on track to complete their savings goal.

PARENTS AGREE TO:

- ▶ Help their youth deposit money by taking them to the bank but **never** deposit money in their accounts without the youth present. Youth should fill out deposit slips and other paperwork.
- ▶ Provide or make arrangements for transportation to and from every Youth\$ave class for their child. Youth\$ave staff can provide youth bus tickets.
- ▶ Assist youth in setting a savings goal and developing a plan for how they will earn money for their goal.
- ▶ Help their child buy the activity they are saving for. **In order for parents to be reimbursed they must have prior approval and provide a receipt of purchase.**
- ▶ Assist with program evaluation and participate in the Summer Graduation Ceremony.

Parents are encouraged to:

Read with their youth about money issues and go over the lessons taught at Youth\$ave.

Call Youth\$ave staff any time they have a question or comment about the Youth\$ave program.

Discuss family finances, budgeting and money issues with their youth.

REACH AGREES TO:

- ▶ Provide classes for Youth\$ave participants and parents. Food will be provided at meetings.
- ▶ Match youth savings and/or community service hours up to \$300/yr at a 2:1 ratio (\$600 match). Community service hours will be matched at a rate of \$7/hr x 2 = \$14/hr. Money saved and matching funds must be used towards an approved eligible goal/activity. Once the match amount has been established, that match amount cannot be increased.
- ▶ Send periodic statements to all youth in the program showing the status of their Youth\$ave savings account and match money earned to date.
- ▶ Work with youth in groups and individually to keep them on track and prepared to meet their savings goal and obtain the eligible goal/activity.
- ▶ Organize a Summer Graduation Ceremony and program evaluation.
